Honorable Jerome R. Waldie
House of Representatives

Dear Mr. Waldie:

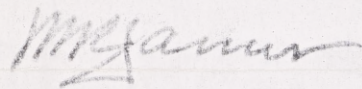

You have written me regarding a request from Mrs. Richard Koch for a permit to install signs at Mineral King.

We are attaching a copy of our reply to Mrs. Koch.

The bulletin board mentioned in our letter is centrally located and a focal point for visitors to Mineral King.

If we were to permit Mrs. Koch to promote her cause through signing on National Forest land, the proponents of this development would have the same right as would anyone promoting or opposing a controversial issue. This could lead to a proliferation of signs in the National Forests.

Sincerely,

M.R. JAMES
Forest Supervisor
